

Kingdom Come

Intro: (rescued)

Acts 19:23-27

Though the gospel can and does change society it does so as a by-product of disciple-making...it is never put forward as a goal

The cross, and the very need for it, is proof that society cannot ultimately be reformed...it needs to be rescued

Problem:

So what is the value of studying these laws (exodus 22:16-23:9)?

They are also a promise of the character of the coming king and His coming kingdom

They also show us the character of God

Main Idea:

God cares about our marriage laws

God cares about our culture

God cares about our poverty

God cares about our tax code

God cares about our legal system

Implication:

He is coming to fix it all

Application:

Blessed are those who wait

End: (How long)**Articles for further study:**
