

Sermon Study Week of 10/13/13-10/19/13

State of Missions Address

For 242

1. Have everyone share the gospel by using the Evangecube
2. Pray for missions

The main focus for this week's 242 is to learn how to share the gospel by using the Evangecube. The Evangecube will be like hand rails that guide you along in learning a basic gospel presentation. Our desire is to have everyone in your group know the gospel enough to be able to share it; we think the Evangecube can help in that.

Review:

The sermon/presentation focused on the work Barabbas Road Church has done in the area of missions in both Uganda and India over the past year.

The sermon covered nine aspects of missions at BRC.

1. Plan –Church on every continent

2. Purpose -Gospel is the message of salvation

Salvation is exclusive to Christians: Acts 4:8-12; 1 John 2:1-2 (whole world), 2:22-23, 4:15, 5:9-13, let's not make God a liar and say there is another way.

3. Point Person –Abara William (Uganda), Moses and MK (India)

Titus 1:5 appoint elder

4. Personal - Love for the church

Importance of visiting 1 Thess 1:1-4:1

Activity

- I. We want everyone in your group to share the gospel with the rest of the group using the Evangecube. Start with the leader, you demonstrate how to use it and then pass it to the next person when you are done. Some people will be nervous, this may be the first time they have ever shared before, be patient and correct with love. (teaching people how to evangelize is discipleship, if they don't learn it from you they will probably never learn it so make this time count)

Here is a link showing the message and how to use the Evangecube <http://www.youtube.com/watch?v=GhVldzsGEck>

Make sure these points are include in the presentation

1. Man is a sinner sentenced to death and separated from God
2. God is holy and will Judge your sins
3. God loves us and sent Christ to pay the penalty for your sins
4. Jesus died and was buried

5. Jesus rose from the grave proving to be the Son of God and that God was pleased with His sacrifice
6. Jesus made a way for man to be right with God
7. God is perfect so your sins must be paid for, either you pay in hell forever or you accept Christ's payment on your behalf and share eternity with God
8. Is this something you would consider?
9. For those that do say yes, God promises us a new heart and He wants to hear from us in prayer and we should hear from Him through reading the Bible. God also want us to go to church and share the good news with others.

II. What to pray for

1. Pray that the 40% of the world who has never heard of Jesus could be presented with the gospel.
2. Pray that BRC Uganda would be known in the community and that more people would be disciplined.
3. Pray that fellowships would start in the two areas where we worked in India.
4. Pray for the ministry we work with in India that they would be able to train more pastors.
5. Pray for Dave Petro and his wife as they plan on going back to the Philippines, that they would be strengthened to continue reaching the lost for Christ.

God bless
